

GRAND OPENING OF MODEL HOMES at Greenbrook Village in Shelburne

Lakeview Homes has 3 new model homes for you to visit at their charming community, Greenbrook Village in Shelburne! The picturesque collection of bungalow and two-storey homes on traditional, full-sized 40' home sites is perfect for families looking for something a little different. The homes start at \$249,990 and are just a half hour's drive from Brampton. Now built and ready for you to experience are the lovely designer furnished Bayfield, Rockport, and Thornberry home designs! The community is under construction and several inventory homes are available for a quick 60-90 day move in.

The Bayfield, a beautiful 3- or 4-bedroom bungalow, offers an open-concept kitchen/living room area designed with family time in mind, as well as an elegant ensuite bathroom in the master bedroom. Families who plan to grow are offered the option of an extra bedroom in a finished basement. The Bayfield represents a unique offering for those who want quality and style along with the benefits of a detached home – at an affordable price.

Introducing the Rockport – a stunning two-storey design, which strikes a perfect balance of formal and modern living. With features like a separate dining room, an optional

servery, study areas, two ensuite bathrooms and a two-storey Great Room, the Rockport gives us the taste of grandeur in a friendly community setting.

The Thornberry, a two-storey design inspired by the Old Ontario architectural style, is the new location of the sales centre. This charming design offers more square feet than any other home in the Greenbrook community (3,240 sq.ft.). A wide covered front porch, media loft, powder room, luxurious ensuite bathrooms and a separate dining room are just a few of the benefits of

this spacious design. The Thornberry also features an open-concept designer kitchen and large Great Room with optional fireplace ideal for intimate family moments.

There's plenty to do and explore in and around Shelburne: drive-in movie nights, exploring the Bruce Trail, artists' studios, outdoor education centres, and countless recreational opportunities, from mountain biking, skiing, and golfing to hockey, canoeing, and horseback riding.

Greenbrook Village is now offering an exciting Referral Rewards Program! If you
