

LAKEVIEW HOMES

One of the best values in Credit Ridge

Lakeview Homes' highly successful Credit Ridge community has just launched a brand new release of 40-, 50- and 60-foot lots. Be sure to visit Lakeview this weekend for the best selection.

Set in the lush countryside, where Mississauga meets Brampton at Creditview and Queen Street. The Estates of Credit Ridge is part of a new master plan to develop a special corner of the Credit Valley that will include ponds, parks, valley lands and schools. Surrounded by natural woodlands, the community offers detached executive estate homes on 40-, 50- and 60-foot lots, priced from the upper \$400's to over \$600,000. Their superb list of standard features makes Lakeview one of the best values in Credit Ridge.

The Primrose is Lakeview's new Designer Model Home and features a covered porch, a two-storey great room, a gourmet kitchen with pantry and breakfast area, a private library with French doors, a spacious living dining/room and a main floor powder

room and sunken laundry, plus five large bedrooms including two that share a Jack and Jill ensuite and two with walk-in closets. A magnificent master suite includes a tray ceiling, a walk-in closet and a spa-style ensuite with double sinks, a corner oval tub and a separate shower.

The Credit Valley is a region so precious it has been preserved for decades while the neighbouring farmlands have given way to neighbourhoods. Now this small parcel is destined to be home to a fortunate few. Here you can live in the valley with all the necessities of the city close by, while surrounded by nature. Lakeview's location within Credit Ridge is one of the most desirable, closest to Queen Street, yet away from the hustle and bustle. Many lots back onto ponds, open space and parks. Some are wide, deep pie lots set in quiet cul-de-sacs. And a few lots remain backing onto the pond, instead of neighbours.

Spacious executive home designs set this community apart. Every home

comes with a long list of luxury features and the kind of character-filled exteriors you expect from this award-winning builder. Experience how much richer life can be in a magnificent neighbourhood of majestic detached residences set in sweeping streetscapes of stone and brick exteriors. The gracious elegance of Lakeview Home's designs includes double-height family rooms, grand staircases and more.

Endless winding trails and valley lands are within walking distance. There's a whole world of shopping within a short drive including Shoppers World Brampton, Heartland Town Centre and Meadowvale Town Centre. A great selection of golf courses is available in the area including Lionhead Golf and Country Club located close by in the Credit River Valley. Highways 407, 401 and 410 are nearby. The new Mt. Pleasant GO Train Station is only a five-minute drive and Sheridan College Davis Campus is just down the road. Main Street shops and restaurants, the new Rose Theatre, Peel Memorial Hospital and Brampton Fairgrounds are all a short drive down Queen Street.

Homes are now under construction at Credit Ridge, and new 40-, 50- and 60-foot lots were recently released. So, if you're looking for a gracious home with lots of land in a natural setting that's close to the city, visit Lakeview this weekend. ■
