WARRANTY:

- 101. Customer Care – We are here for you! Backed by Tarion with Lakeview's Excellent rating warranty.
- 102. Warranty applies to all workmanship and materials for (1) year; for defects in workmanship and materials on electrical, plumbing, heating distribution systems and building envelope for two (2) years and for any major structural defects for (7) years. Purchaser agrees to pay the Tarion Warranty Program fee as an adjustment on closing.

The Purchaser acknowledges and accepts the following: All illustrations are artist's concept. Plans, all dimensions and all specifications that are shown on the brochures, reference documents, accompanying this agreement or any subsequent document are approximate and subject to change at the discretion of the Vendor. Any material may be substituted for those of equal or better quality at the Vendor's discretion. Any dimensions references are approximate. Purchaser shall have the right to select various finishes as permitted above from the Vendor's samples subject to their timely availability from the Vendor's normal supplier and provided that the same have not already been ordered for this house. Colour, dimensional, shading variations from Vendor's samples may occur in any material and not limited to bricks, finishing materials, kitchen and vanity cabinets, floor and wall finishes due to normal production process, curing or natural occurring variations. The laundry room/mudroom/ foyers/ or any other entrance landings may be lowered adding steps where applicable to accommodate grading. Steps where applicable may vary at any exterior or interior entranceway due to grading variance. Corner lots and priority lots may have special treatments which may require window changes and minor interior modifications to balance and improve the elevation of the house exposed to the street. When Purchaser is buying a house already under construction, Purchaser acknowledges that there may be deviations from the floor plan, elevation or layout of this model and Purchaser agrees to accept such changes as constructed. The Purchaser acknowledges that the Vendor's model homes, or model renderings have been decorated for public display purposes and may contain certain features, upgrade finishes and augmented services which may not be included in the basic model type. Most additional features on display in the model homes are available as extras. Purchaser is notified that all lots have Architectural Controls applied to them and that exterior architectural features may be added or altered at the Vendor's discretion to comply with Architectural Control Guidelines. The Vendor reserves the right to use visual representations of your homes, taken both during construction and after occupancy, for Marketing Advertising purposes, and I/we hereby consent to same.
