The Following applies to those items where indicated above. (1) Location will be determined by the Vendor (fees to be paid by Purchaser will apply for customizing the location at the Purchasers request). (2) This Feature only applicable for plans that contain the required area/room on the plan as determined by Vendor. (3) Hot water tank is a rental gas unit, power vented to exterior. Purchaser must execute Rental Agreement with the appropriate rental company. (4) Position of furnace, hot water tank may vary on plans. (5) Except for bathroom vanity, dining room & exterior lighting. (6) Dimensions/values used are nominal industry dimensions/values and are not exact and will vary. (7) Certain areas may have lower ceiling due to mechanical runs, decorative elements or structural components as determined by Vendor. (8) Purchaser will be required to complete additional work at their expense to make operational. (9) Energy Star construction specifications may change in compliance with the ESNH-2012 requirement. The ENERGY STAR® Mark is administered and promoted in Canada by Natural Resources Canada and used with permission. (10) Purchaser acknowledges and agrees that the second coat may not be completed for up to, but not later than, thirty-six (36) months after Closing Date.
